

REV. DAVIS INDUCTED INTO PASTORAGE OF ST. ANDREW'S CH.

A ceremony of great solemnity but without of serious moment to the members and adherents of St. Andrew's (Presby.) church, was conducted in the church on Wednesday last, when the Rev. S. Davis, from Cadogan, who was the recipient of an unanimous "call", was inducted into this pastorate.

The service was in charge of Rev. Mr. Miller, of Chauvin, who as inter-moderator of the Vermilion presbytery gave the administration to the new minister. In the course of his remarks he eulogized the pastor for his previous work and said he felt sure that in this new charge the pastor would have the whole hearted support of all.

In his address to the congregation, Rev. Symonds of Edmonton, superintendent of Presbyterian missions for Alberta, pointed out that it was only by full co-operation between the pastor and themselves that the work of God could be successfully accomplished, and asked the fullest sympathy and help for the incumbent in his new sphere.

Rev. Mr. Watt, of Toilead, gave an eloquent sermon from Philippians, and showed that all must work for the advancement of God's kingdom, if the best of life would be reaped on earth.

During the service musical numbers were very creditably rendered by the choir of the church, and Mrs. E. L. Fuller sweetly rendered a solo "My Task" in her usual brilliant manner. Mesdames Robinson, & Fuller, and Messrs. Lewthwaite and Dunsmore appreciably sang the quartette "Nailed to the cross."

The new minister takes this opportunity of extending a hearty welcome to any of the services to all members and adherents, and also to all those who are afflicted with any church gathering.

BILLIE BURKE IS BOLD BURGLAR IN AWAY GOES PRUDENCE

Fancy dainty Billy Burke, the popular Paramount Artcraft star, a burglar! Fancy her jimmying open windows and burgling with real knights of the jimmie! That she is a real artist in this line of work (not only from the standpoint of the artist however) is indicated by her portrayal of the stellar role in "Away Goes Prudence," a delightful comedy drama, which will be shown at the Elite theatre next Monday and Tuesday.

Charming Miss Burke's comedy powers were never shown to better advantage than in the role of Prudence Thorne, a daring society girl who prefers flying to her lover's attentions and is brought to her senses through a kidnapping arranged by him. Prudence is forced to live with a band of crooks who compel her to learn all of the tricks of their profession. Miss Burke showed marked ability in jimmying open windows and breaking into houses—and even shooting craps. She disposes in a neat suit and several evening dresses with her usual charms.

In the flying scenes Miss Burke wears a leather coat belonging to a girl friend who saw service in France and trousers and helmet of a French ace.

CROSSING THE BAR

CHARLES SWAILES

It is our sad duty this week to announce the passing away at an hospital in Edmonton, following an operation, of Mr. Charles Swailes, who for many years was a resident of our neighboring village of Irma, and who was well known to most old-timers for many miles.

The deceased gentleman, who recently resided in the city was aged 55 years, and leaves to mourn their loss the widow and two sons, to whom sympathy in their bereavement is extended.

100,000 SETTLERS FOR CANADA, 1922

According to official advice from Ottawa a total of 76,575 settlers came to Canada in the eight months ended November 30, and by the time the fiscal year is ended it is estimated that the total will exceed 100,000. Of the former 53,296 arrived at ocean ports and 23,279 from the United States. This who came by water comprised 16,391 from the farmers' class, 3,738 labor, 5,543 mechanics, 2,507 traders, 6,098 domestic and 613 miners.

The contingent from the United States embraced 10,663 of the farmers' class, 2,963 labor, 2,524 mechanics and 1,361 traders. The decrease compared with last year is 37 per cent.

In the period from 1900 to 1921 immigration totalled 3,517,311, of which 1,233,331 were from the United States; 1,366,508 from the British Isles, and 887,272 from other countries.

A despatch from Edmonton states that sheep men will be required to move their flocks from the areas of closed range by June 1st of this year.

THE EXAMINER'S WEEKLY REVIEW OF PROVINCIAL MARKETS

(Thursday, February 9th, 1922)

CATTLE
Beef—Export steers, scarce at Edmonton this week, but choice butcher cattle, were in demand and not many offered, which put prices up to \$5.75@6.50, and exporters would bring up to \$7; good steers, \$5@5.50; medium, \$4@4.50; common down to \$3. Choice cows, \$3.50@4.25; good, \$3@3.50; medium, \$2.50@3; canners, \$1@2. Choice fat heifers would bring up to \$5. Few bulls offered, and tops would bring \$2.50 Calves scarce and hard to quote; best probably \$6@7; common down to \$4@4.25. Demand for feeders good, and best \$3.50@4.50; stocker-steers, \$3@3.75. Not much inquiry for stock heifers, or cows; stock heifers quoted \$2.50@3; stock cows, \$2@2.50.

HOGS
Market at Edmonton holds steady with Wednesday prices \$10.75@11; top price being for long haul.

SHEEP
Good demand at Edmonton yards, and receipts light. Lambs, \$2@2.50; wethers, \$7@7.50; ewes, \$4.50@6.50.

GRAIN
Markets have been good during the past week, and, with may be a few setbacks, the trade impression is that our wheat is head ed to a still better price for the balance of the crop. However, there are many who are taking advantage of the present rate to sell. Exports have not been buying our wheat very freely since the recent raise, which is giving some apprehension.

PRODUCE
Creamery Butter—Conditions in Edmonton territory unchanged with prints quoted 35c@36c; prospects uncertain in view of heavy arrivals of New Zealand butter at the coast, where competition will have to be met when our make increases. Butterfat—Prices steady and though receipts are not increasing much yet, large production looked for. Milk—Distributors now paying \$2.20, basis 3.6, for local deliveries. Cheese—Firmness in eastern market may be reflected here, but nothing doing so far. Eggs—Quotations dropped, and local quotation now \$10, with most of requirements, with addition of some from B.C. Poultry—Market very drab, and no tendency to improvement.

HAY
Dealers not reporting any improvement despite cold weather which is naturally increasing consumption. Dealers are buying from farmers at country points at \$12 @ \$13 for upland; timothy, \$15 @ \$18; green feed, \$10@12.

HIDES
No improvement in markets, and quotations stand at old figures of 2c@3c.

FURS
Some prices advanced, with winter rates now \$1@1.25; weasel, 30c@30c; pale marten, \$11.50@15.00; brown marten, \$17.50@23; dark marten, \$23 @ 40.

WAINWRIGHT'S BIG BONSPIEL IS NOW THING OF THE PAST!

Murdoch of Edgerton, Wins Grand Challenge and Takes Buffalo Meat; First Place in Each Event Goes to Outside Rink Except Consolation; Cartwright of Viking Wins Hard Luck Event By Losing Every Game!

Well, it's all over; and a pretty tired bunch of curlers all joined in vowing the 1922 bonspiel the best yet put on by the Wainwright Curling Club.

The games were all contested with a vigor which pre-determined success if possible, but as all could not be first, the winners were forced to go to the limit to prove their superiority. This was especially true in the Grand Challenge event.

REPUTED ALBERTA'S OLDEST RESIDENT; DIES AT OKOTOKS

Alberta's reputed oldest resident, Mrs. Mary Kendrick Watt died at the home of her daughter, Mrs. E. A. Daggett, of Okotoks, on January 30, at the age of 97 years. Until a few days before her death, the late Mrs. Watt was very active, and was confined to her bed only four days before she passed away. During the war, she worked continuously and knitted no less than 130 pairs of socks for the soldiers in France.

HIGHWAYS BILL IS INTRODUCED IN LEGISLATURE

An act to provide for a system of highways in the province has been introduced by Hon. Alex Ross, minister of public works, in the legislature. The act calls for a highway commissioner, who shall be responsible for the devising of a system of roads suitable to the needs of the province, and the construction and maintenance of them generally. A good roads board composed of the deputy minister, the commissioner and three other members to be appointed by the lieutenant governor or in council. This board will determine the system of roads and the form of their construction as recommended by the highway commissioner and make rules as to the use of the highways.

The classification of the roads will be main highways, market roads, local roads and colonization roads. The latter shall be such roads as may be temporarily established for the development of newly settled districts.

Provincial contributions towards the construction of market roads, upon compliance with the provisions of the proposed act will be based on the following schedule:

Clearing, grubbing, ditching, construction of timber culverts and bridges, grading and such other work necessary to provide earth roads; 35-1-35%
Road surfacing of sand, gravel or clay; 50%
Constructing concrete culverts; 66-2-35%
Constructing steel or concrete bridges costing not more than \$20,000; 66-2-35%
Constructing steel or concrete bridges costing more than \$20,000 and not more than \$100,000; 75%
Constructing steel or concrete bridges costing over \$100,000; 100%.

LETTERS TO THE EDITOR

We are not responsible for opinions expressed by correspondents.
The Editor,
Dear Sir—As the convention of the Alberta Farmers' association is being held this week, and certain matters are to be brought up at the convention in reference to the different agricultural societies, possibly a suggestion may be in order. A gentleman writing the Journal from Onoway suggests the government should make all farms on as he calls it a fifty-fifty arrangement, that is, the local society to furnish a certain amount, and the government to furnish a like amount.

Last year the government furnished to the different Alberta Fairs the sum of one hundred and thirty-two thousand dollars (\$132,000.00) or in other words sixty per cent of the prize money that was awarded to all fairs on the A and B circuits.

This is a very large sum and should be appreciated by the different fairs that received their quota. But how many of these fairs made a success. It is a well known fact that of these fairs the magnificent percentage of 93 went in the hole, and were not a financial success. Why?

Might I suggest that if the government gave a bonus of say 25 per cent of the amount subscribed locally, this amount to be paid after the fair is over, and to be applied on the prize money, it will give the local committees something to work for instead of forgetting the business end of the fair and leaving it to the government to make the fair a success, and the balance strung around on the fair day and criticism. No fair will be a success unless the whole community do their utmost to help.

Millet has for the last five years held a fair. This fair is purely a community organization. Millet has received no grant from the government, charges no entrance fee to the grounds has equipment value \$300.00, all paid for, gives prizes value \$600.00, and has \$131.00 in the bank. Community spirit has made the Millet Fair the annual institution it is, and a little of the like instilled into the Wainwright fair will help a whole lot and save the government a bunch of money.

DUNCAN MARSHALL AGRICULTURE COM.

Hon. Duncan Marshall, former minister of agriculture for Alberta, has been appointed commissioner of agriculture for the federal agricultural department, it was officially announced last night. Hon. Mr. Marshall successfully contested East Calgary seat as a Liberal candidate in the recent general election.

Miss M. Jost, of Edmonton was visiting Mrs. R. Kenny over the week end.

QUARTER MILLION IN PROFITS FROM ALBERTA LIQUOR

The revenue from Alberta's liquor vendor's department in 1921 totalled \$571,926.83. This was the information given the legislature Thursday afternoon by Hon. J. E. Brownlee, attorney general, in response to a question from Dr. J. S. Stewart, 7eth bridge. Of this amount \$321,926.83 was reinvested in liquor stocks the treasury being the recipient of the other \$250,000.

Premier Greenfield told Dr. Stewart that the gross bonded debt of the province as at February 7th was \$5,236,856.75, from which was to be deducted the sinking fund of \$1,798,720.40, and telephone bonds which reduced the indebtedness to a net bond guarantee on railways now amounted to \$17,093,700.

Also answering Dr. Stewart, the premier stated that the special audit ordered by the government after taking office last August was given to two firms, Harvey, Richardson, Cole and Robertson, and George A. Touche and Co. This was for the purpose of establishing the exact financial standing of the government in all departments at the date of taking office, August 13, 1921. Only interim reports had been received by the government from these firms, but it was hoped fuller reports would be available for the house on February 22nd. The premier intimated that the full report of the auditors might not be ready for the present session.

Canada has established 23 "bird sanctuaries" for the protection and conservation of wild life. Two are in Quebec, one in Ontario, and twenty in the prairie provinces. A treaty has been made with the United States for the same purpose.

SUPP. REV. TAX NOT TO BE ABOLISHED

Delegates representing the city municipalities of the province who presented requests to the government the past week for additional share of the taxes collected by the government received considerable surprise when they were told by Premier Greenfield that according to figures which had been compiled, the rural districts were paying but \$3.23 per head. The premier told the delegation that there would be no legislation dealing with the system of taxes at this session of the legislature but that he proposed to call a conference within the next year of representatives of the municipalities and of the dominion and provincial governments to settle the question of the different spheres of taxation to be adopted by each. Mr. Greenfield made it plain that the Supplementary Revenue Tax could not be abolished by the government at present.

Rev. T. C. Buchanan, D.D. Pioneer Missionary, will be at the Grace Methodist church on Sunday next to address the Sunday school and church. He will also address the congregation at Greenshields in the afternoon.

ALBERTA HEALTH BOARD ISSUES 'FLU WARNING'

The following circular has been issued by the provincial board of health to all local boards of health in Alberta.

For some time influenza has been epidemic in Europe. Reports have reached this office that it is now appearing in eastern Canada. This disease will sooner or later spread to the province of Alberta and steps should be taken to organize each district in order to cope with it. It is not expected that the disease will be of a virulent type, and each local board would be expected to care for the residents in its health district. The following information should, therefore, be tabulated for each district:

- 1.—The hospital bed capacity of each district.
- 2.—The means available for increasing that capacity.
- 3.—The number of graduate nurses available.
- 4.—Number of practical nurses available.
- 5.—Number of women or girls who might be willing to assist as nurses.
- 6.—Number of women and girls who might be willing to act as housekeepers during the illness of a family.

It is desirable that the local board of health for every village and municipality district in the province secure the services of either a medical practitioner as medical officer of health, or a suitable person to act as executive officer, for the local board of health district, at least temporarily until all danger is past.

The local board is advised to secure one or the other now, and to immediately notify this department of the name and address of the officer so appointed.

It may be more clearly seen later to be absolutely necessary that such an appointment be made, in which case the provincial board of health, under powers conferred by section 17 and 6 of the Public Health act and section 11 of the regulations, could notify the local board to make the appointment.

This might occur at a time when it would be very difficult for the local board to obtain a desirable officer and the local board is advised to make arrangements now.

It might be possible to make an appointment conditional on an outbreak of influenza occurring, and optional on your part.

All cases of epidemic influenza must be notified to the department of public health immediately they occur.

Special mention might be made of several risks, but the outstanding feature of the 'Spel was the manner in which the winners of the Grand Challenge (Messrs. Hunt, Gorton, Ripley and Murdoch, skip) worked their way to the top. In fact the strain was such that they freely admitted that they were played right out, but what matters so long as they "won the bacon (buffalo)." A large turnout of members, and friends, were present on Saturday afternoon, February 11th at the home of the president Mrs. Middlemass. The meeting was opened by the singing of the old fashioned song, "Home Sweet Home" after the regular routine of business, and other items of importance were disposed of, the Grandmothers of the W. I. marched into the room to the strains of Captain Jinks, executing a pretty drill. Mrs. Lake was dressed representing Grandmother when a girl in Victorian Days; Mrs. Turner in a costume of 60 years ago; Mrs. Jas. March of 50 years ago; Mrs. Robinson of 35 years ago Mrs. McLean of 25 years ago; and Mrs. Yeager as the modern Grandmother, they were heartily encouraged continuing the programme they contributed the following: reading "There'll be room in Heaven"; Mrs. McLean; solo "Love's Ship"; Mrs. Lake; reading "Three ages of Ambition"; Mrs. Turner; chorists "Grandmothers Chorus" by the Grandmothers, reading "Lullaby to a Stocking"; Mrs. Jas. Church; vocal duet, "I cannot sing the old songs"; Mesdames Yeager and Turner; reading, "The Modern Grandmother"; Mrs. A. Robinson. All the numbers were well given, which goes to prove that Grandmothers can do their part. A hearty vote of thanks was extended them for the splendid programme rendered, it was decided that Grandmothers Day be celebrated in the month of February each year.

ROBERT WARWICK IN 'TOLD IN THE HILLS' AT ELITE THEATRE

The new Paramount-Artcraft picture, "Told in the Hills," which will be shown at the Elite theatre to-night and to-morrow, features Mayor Robert Warwick, who recently returned to America after several month's service on General Pershing's staff in France.

Major Warwick was among the first to volunteer when America entered the war and served overseas as a Captain. He was actively engaged on several battle fronts. His first picture upon returning his screen career was "Secret Service," a Paramount-Artcraft Special production of William Gillette's famous play. In it Major Warwick proved decisively that he possesses the same fire and sincerity that characterized his work before the war. "Told in the Hills" presents him in an heroic Western role that is expected to further enhance his reputation as a dramatic actor of the first rank.

An unusually powerful cast has been assembled to support Major Warwick, including Ann Little, Wanda Hawley, Eileen Percy, Tom Rorman and Monte Blue. George Melford directed the picture.

1,550 newspapers and periodicals are issued in Canada, including 126 dailies and 1,073 weeklies and 32 foreign language papers.

GREENSHIELDS GOSSIP

On Tuesday evening, Feb 7th, the Greenshields Club met at the home of Mr and Mrs H.A. Cheatham. A short business meeting was held, with the President Mr Reggie Bean in the chair. After discussing the sheet of the Club and its plans, the meeting gave place to a jolly evening. Refreshments were served, and the balance of the evening spent in games and dancing.

The Ladies Aid met at the home of Mrs. Cheatham on Wednesday afternoon all members present, a very profitable afternoon was spent, after which tea was served by Mrs. S.W. Lord.

British Embargo On Canadian Cattle Is To Remain In Force

London.—The embargo on Canadian cattle stands, said, after a very great difference of opinion in the House of Commons, Night Hon. Sir Arthur Griffith-Boscawen, president of the board of agriculture, announced that, in view of the almost unanimous opinion of agriculturists of England and Wales, the removal of the restrictions would seriously injure the industry, and the fact that the Royal Commission appointed to investigate the question had reported that its removal would have little effect on the price of meat in the United Kingdom, the government was not prepared to introduce legislation for the free entry of Canadian cattle.

Closer Commercial Tie Between Canada and Australia Is Urged

London.—"The time is now ripe for a real effort to be made to adjust the fiscal differences between Canada and Australia." This statement is made by Sir Joseph Cook, former prime minister and now high commissioner in London for Australia, in a message to the Canadian Export Pioneer here.

Negotiations for a reciprocity agreement between Canada and Australia have been in progress for years, but Sir Joseph Foster was never able to bring them to any definite conclusion, and owing to the recent changes in his tariff Australia now places Canadian newspaper exporters under a disadvantage as compared with their British competitors.

The reasons for Australia's attitude are disclosed by Sir Joseph Cook in his message. He points out that his country has demonstrated that it favors a close inter-imperial relationship in trade. Australia in 1906 entered into a reciprocal arrangement with South Africa, which will be renewed, and it has just passed a bill to give

effect to a preferential arrangement with New Zealand. He continues: "Canada sells to Australia nine times the value of the goods which Australia sells to Canada. Is it any wonder that the Australians' interest in reciprocity with the sister dominion is but lukewarm? It is clear that Canada buys largely from her big neighbor, the United States, and passes the Commonwealth by. The result of it all is that for customs purposes Australia treats Canada as a foreign nation. The time is now ripe for a real effort to be made to adjust these differences, for it cannot be doubted that mutual benefit would accrue. The blood bond, sentiment and self-interest unite in demanding closer commercial ties between the community of nations which form the Empire and the breaking down of the rigid bulkheads which now effectively 'water-tight' the dominions, and separate them into commercially competing and antagonistic trading communities."

Germany Makes Third Payment

Paris.—The German Government has made its third payment of \$1,000,000 gold marks to the Allied Reparations Commission in accordance with the ten-day payment schedule recently adopted by the commission at Cannes, according to an announcement by the Temps.

Further questioned as to whether the government had given a pledge to the Canadian Government that after the war the embargo would be removed, Sir Arthur replied that he believed certain pledges were given at the Imperial Conference held in 1917, but the Canadian Government most properly had always taken the view that they did not wish to interfere with home affairs, and that if they were convinced that the removal of the embargo would be detrimental to our interests, they would not press the matter.

SUGGESTS SENDING WHEAT TO RUSSIA

MANITOBA SHOULD CHARTER STEAMER COMPANY OF MR. QUEEN

Winnipeg.—The resolution by William Robson, leader of the Farmer party, for a reduction in the salaries of cabinet ministers and officials in the civil service, was declared lost on a verbal vote in the legislature. The Manitoba should charter a steamer and send it loaded with wheat to famine-stricken Russia, was the suggestion made by Mr. Queen, when moving a resolution urging the government to do something in aid of the starving millions there. Mr. Queen spoke for over an hour and quoted many writers, in support of his claim that conditions in Russia are appalling. The debate was adjourned.

New Canadian High Commissioner

C. C. Larkin, Toronto, Succeeds Sir George Perley

Ottawa.—Official announcement of the appointment of C. C. Larkin, of Toronto, to the post of high commissioner for Canada, was made by the Prime Minister following a cabinet meeting. Mr. Larkin succeeds Sir George Perley, who returned to Canada a few days ago to submit his resignation. The appointment of Mr. Larkin will go into effect on March 1. In the interval he will consult with Sir George Perley in regard to the position. It was stated that Mr. Larkin, as Canadian high commissioner, will have jurisdiction over all activities of the Canadian Government in England. Certain departments which were run independently during the war will be under the control of the high commissioner. In this classification will come the pension commission, the directors' civil re-establishment, etc. He will act as the resident agent of the Government of Canada in England.

Certificates Are Popular in Britain

Sale Since February, 1916, Nearly 500 Million Mark
London.—With the sale of nearly two million national savings certificates during the last week of January, the total sale since the first issue of this class of security in February, 1916, exceeds the 500,000,000 mark. This is equivalent to more than 357,500,000 pounds sterling, of which the amount withdrawn approximates £24,000,000. On and after April 1 next the certificates will be sold at 16s. instead of 15s. 6d.

Potato Warehouse Burned

Overheated Stove Causes Loss of More Than \$75,000
Eagle River, Wis.—Sunset Farms, the largest potato warehouse in the state, was destroyed by fire which started from an overheated stove. Twenty thousand bushels of potatoes stored in the warehouse, and two cars of potatoes standing on a nearby side track, were consumed. The loss is estimated at more than \$75,000.

**JUDICIAL SALE
OF
FARM PROPERTY**

Pursuant to the Judgment and final order for sale there will be offered for sale, subject to the reservations and conditions contained in the original grant from the Crown and in the existing certificate of title, with the approval of a Judge or the Master in Chambers, by J. W. Stuart, at the Post Office in the Town of Irma and Province of Alberta, at 1.00 o'clock in the afternoon, on Saturday, the eleventh day of February, A.D. 1922, the following lands:

The North-west Quarter of Section 28, Township 44, Range 9, West of the 4th Meridian, in the Province of Alberta, containing 160 acres, more or less, Excepting thereout mines and minerals.

The Vendor is informed that the lands are situated seven miles from a railway station, and three miles from a school. They were once partially cultivated, but have now been so long uncultivated that they are practically the same as wild land. There are no improvements of any sort on the same.

The property will be offered for sale, subject to a reserve bid fixed by a Judge.

The purchaser is at the time of the sale to pay down a deposit of ten per cent. of the amount of the purchase price to the Vendor's Solicitors, and the balance of the purchase price is to be paid into Court within sixty days from the date of sale, without interest, or in the alternative, ten per cent. as aforesaid, the execution of a mortgage by the purchaser for the sum of \$40,000 and the remainder of the purchase price to be paid into Court within sixty days from the date of sale, without interest. The mortgage shall be for a term of one year, payable the whole of the principal sum at the expiration of one year from the date of sale, and shall bear interest at the rate of ten per cent. per annum, payable half yearly.

The Purchaser is to take the property subject to all assessments, rates and taxes outstanding against the said property from and after the 31st day of December, A.D. 1921, and in all other respects the terms and conditions of sale will be the standing conditions of the Court as approved by a Judge or the Master in Chambers.

Further particulars may be had from the Vendor's Solicitors, Messrs. Byers & Heffernan, 602-4 McLeod Building, Edmonton, Alberta, or from the Auctioneer. Dated, this 5th day of January A.D. 1922.
